### Designer Travel Dog Food and Water Bowls

We are always delighted with products that make your dog more mobile because we think you should take your pup with you everywhere! Are you searching for soft dog travel bowls, but haven't yet found something with a touch of style for your pooch? Kurgo has designed the Wander line of bowls for dogs and owners on the go who want more than just functionality. The Wander water and food bowls are made with authentic seat belt material plus a double ply waterproof interior. They will last for years and look great every time you use them. Built to hold strong even when Fido accidentally bumps the bowl. Materials: Seatbelt Webbing Ripstop Nylon. Retail for both bowls is \$48.98. Available at [www.kurgo.com](http://www.kurgo.com) and [www.DazzleDogDelight.com](http://www.DazzleDogDelight.com) in addition to various other e-tailers.
