

## “Care Packages for Military Dogs”- 01.24.2011

Dog trainer and pet expert Nikki Moustaki packs care packages for the K9 handlers and the military service dogs serving overseas in the US military.

With more than a half a million pet books in print and hundreds of articles on pets and their care and training to her credit, Nikki Moustaki, award winning freelance writer, TV personality, and pet industry expert and animal trainer, is the country's leading Pet Lifestyle Authority. Her tireless work feeding shelter pets with her innovative website, The Pet Postcard Project, along with her hands-on rescue efforts and vocal advocacy for homeless animals have led her to be dubbed "Saint Nik."
