Travel gear: Kurgo's Auto Tray Table offers sturdy surface

Kurgo's Auto Tray Table adjusts for height and angle. (Kurgo)

Kurgo's Auto Tray Table (\$19.95) hangs from a car's seatback headrest poles, using an adjustable hook.

Brackets on the bottom allow for tweaking the height and angle to keep the tray level, regardless of seat angle. That makes for a sturdy table top for a laptop computer or on-the-go munching.

The tray folds flat in place when not in use.
