### WANDER BED

The Wander Bed from Kurgo is designed for travel, with a Rufftex bottom to keep it from sliding around in the car, a plush fleece top for comfort and a hidden

pocket to hold a blanket or item that smells of home. The bed rolls up and features a built-in handle. It is available in blue and orange or blue and brown color options and comes in medium and large sizes. It's machine-washable and can be used for camping, the office, traveling, on furniture, or in hotels, doghouses or crates. For more information, visit [www.kurgo.com](http://www.kurgo.com).
